She indicated that she recommended to connections to step the horse up over 1600m and experiment with the addition of blinkers to the horse's gear.

S. Comments:Shifted its off hind plate in the enclosure. After receiving farrier attention behind the barriers was cleared by the veterinary surgeon to start.

Stewards questioned Jockey T Harrison into the seemingly disappointing performance. Jockey Harrison stated that the horse travelled well throughout and when placed under pressure failed to respond and proved most disappointing. Trainer B Baldwin stated that despite having performed well on rain affected tracks previously, the mare failed to handle today's prevailing track conditions.

S. Comments:Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weekend today, it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell.

He stated that after being unable to muster sufficient early speed he was obliged to steady shortly after the start, and when improving into the race in the home straight he suffered minor interference and, in his opinion, would be better suited to a step up in distance to 1200m as the horse was doing its best work over the concluding stages.
