S. Comments:Jockey D. Browne reported it was the first time the filly had raced righthanded and was on the wrong leg for the majority of the race, however still proved slightly disappointing with its finishing effort over the final 200m. He added in his view it would take benefit from today's outing. A post race veterinary examination failed to reveal any significant abnormalities. Lost its near hind plate in running.

He further stated notwithstanding the fact he was unable to obtain his preferred position in running, the filly responded in a respectable manner but did not finish the race off in its normal manner.

He stated the riding tactics were left up to him, however after jumping he elected to take hold of the filly and settle at the rear of the field from the wide barrier. He added however the filly never settled and pulled very hard throughout the event. He advised connections it would be better suited racing in a handier position.

S. Comments:Rider stated, after beginning awkwardly, the mare never travelled throughout the event, was inclined to overrace and got its head up in the early and middle stages. He added, in his opinion, the racing pattern today of making ground from back in the field had not been to Peggy Jean's advantage and it may not have backed up from its unplaced run at Flemington on 8 March 2015. A post-race veterinary examination did not reveal any abnormalities.
