S. Comments:When questioned regarding the performance of the gelding apprentice N. Masuda stated that his mount failed to travel comfortably on the soft track conditions and failed to let down in the straight. When questioned, trainer Ms S. Lawlor stated she was at a loss to explain the performance and she had expected a forward showing. Ms Lawlor added that the geldings form indicates that it does not appreciate soft track conditions and performs better on larger circuits than that today. A post race veterinary examination of the gelding did not reveal any abnormality.

S. Comments:Jumped away awkwardly and made contact with another runner. Had to be steadied when forced to race in restricted room near the 1300m. Raced wide for the majority of the race. Jockey R. Wiggins reported that he would like to have obtained a position midfield, however the horse was inconvenienced by another runner shortly after the start and could not muster sufficient speed to remain in a midfield position and as a result settled near the tail of the field. He added that the horse after obtaining clear running in the home straight was doing its best work over the concluding stages.

Jockey explained horse commenced to lay out after passing the 600m and continued to shift out despite his efforts. Jockey added that in hindsight it would have been a better option to change his whip to his left hand to assist him in maintaining a position on the rail. Stewards noted explanation.
