S. Comments:Inquiry re tactics adopted, in particular the pace set in the early and middle stages of the race. Rider T. Harrison indicated that she had not intended leading but when caught wide in the early stages she pressed on to the lead. She added her mount overraced in the lead and raced even more keenly when EVERYBODY HAPPY improved to her outside near the 900m. She advised connections that, in her opinion, they would be best served backing the horse up quickly as the mare raced too keenly in today's event.

Jockey added that in hindsight it would have been a better option to change his whip to his left hand to assist him in maintaining a position on the rail. Stewards noted explanation.
