S. Comments: Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weakend today. it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell

S Comments: When questioned regarding the performance of the gelding	annrentice N. Masuda	stated that his mount fa	iled to travel comfortably on the soft

track conditions and failed to let down in the straight. When questioned, trainer Ms S. Lawlor stated she was at a loss to explain the performance and she had expected a forward showing. Ms Lawlor added that the geldings form indicates that it does not appreciate soft track conditions and performs better on larger circuits than that today. A post race veterinary examination of the gelding did not reveal any abnormality.

S. Comments: Steadied after improving onto heels rounding the home turn. Shortly after straightening was obliged to ease and shift in around heels to continue to improve. Approaching the 200m was eased when disappointed for a run to the inside of Gelsomina and was unable to be fully tested from this point before again being steadied when disappointed for a run to the outside of that runner approaching the 100m. Failed to obtain clear running from this point and went to the finish line without being fully tested. Rider and trainer questioned regarding positioning during the early stages.

S. Comments:Slow to begin. When questioned rider stated mount travelled only fairly throughout the early and middle stages and was under pressure to maintain its position from the 600m and was disappointing in its run to the line. Trainer stated he did not feel the gelding appreciated the 59kg impost today and may have felt the effects of a long preparation and would be spelled. Veterinary examination of the gelding revealed it to have a poor recovery and to be showing signs of heat distress.

S. Comments:Raced wide in the early stages until the 1000m where it was permitted to stride forward to the lead. Inquiry into improved performance, Trainer G. Blades indicated at the horse's most recent start the race was run at a very slow pace and developed into a sprint home which he believed did not suit the horse. He felt the mare benefitted from the step up in distance of today's event and was more suited to being permitted to stride forward in the middle stages. The explanation was noted.
