S. Comments:Rider questioned, of particular concern was riding between the 900 and 600m where it appeared there was an opportunity to have the mare settle outside the lead rather than press forward. App Fawke indicated he had been instructed to lead and felt that if he attempted to steady near the 900m, She's A Danica would have overraced and refused to settle. Stewards advised App Fawke that it was an ill-judged ride given the fast pace that was being set during that section of the event. However, given his status as an apprentice, stewards felt that they should not take the matter any further.
