S. Comments:Inquiry re tactics adopted, in particular the pace set in the early and middle stages of the race. Rider T. Harrison indicated that she had not intended leading but when caught wide in the early stages she pressed on to the lead. She added her mount overraced in the lead and raced even more keenly when EVERYBODY HAPPY improved to her outside near the 900m. She advised connections that, in her opinion, they would be best served backing the horse up quickly as the mare raced too keenly in today's event.

S. Comments:Bumped heavily by another runner in the early stages of the event on a number of occasions. Stewards questioned apprentice B. Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.
