App Orman stated that he had heard a call from a rider to his inside and as a result eased his mount outwards to provide sufficient racing room to the runners to his inside. After viewing the video App Orman agreed he had erred in shifting wider at that time and should have maintained his position to the outside of JOPA.

S. Comments:When asked to comment on the performance, jockey J. S. Comments:Trainer L. Birchley was questioned regarding the horse's improved performance as compared to its most recent start on 8 June at Caloundra. Mr

Birchley stated that after backing the gelding up quickly for that run, where it finished 12th, he had elected to space its runs to keep the gelding fresh, and

this may have been the reason for the improved performance, along with it getting a soft run in front today.

disappointing performance.He said he rode the horse in a rearward position as instructed and it travelled quite comfortably during, however did not accelerate

rounding the home turn and in the straight was disappointing in the run to the finish. He was of the view that it did not run out a strong 2100m. Trainer said
