| S Comments Trainer B Wakefield stated no specific instructions issued to | the rider other than t | to seek cover and attem | at to race midfield from its wide |

barrier being the gelding's first start over this distance. Rider B. Grylls said her mount raced keenly early and she was unable to place it in a position with cover and elected to race near the tail of the field. She added that when the pace steadied near the 1300m the gelding settled and from that point on she had a trailing position, however she was forced to race wide after leaving the 600m. The explanation was noted.

S. Comments:Stewards questioned apprentice Fancourt regarding her riding of the gelding in today's event, which was not the horse's established racing pattern. She indicated that her instructions were to ride the gelding in a negative fashion in the early stages and attempt to have it settle back in the field, however her mount raced keenly and she allowed it to improve to the lead. She added that she attempted to restrain her mount however the horse continued to race keenly and she was satisfied that the gelding was travelling well in front. S. Comments: When questioned re performance jockey T. Harrison was unable to offer any tangible explanation and expressed her disappointment in the gelding's performance. Trainer R. Heathcote also expressed his disappointment and undertook to obtain both a veterinary and endoscopic examination, the results of which he would provide to stewards. Endoscopic examination found the horse to be suffering from a respiratory virus and the horse has subsequently responded well to a course of antibiotics

S. Comments: When asked to comment on the disappointing performance, rider L. Cassidy indicated the horse refused to settle in the early stages and, in his opinion, this had a detrimental effect on the horse's performance. Trainer B. Smith agreed with jockey Cassidy's comments, adding that, in his view, the horse did not handle the rain affected conditions, and indicated he would not start the horse on heavy tracks in the near future. S. Comments: Had to be restrained from heels near the 600m. Jockey was questioned regarding the tactics he adopted in the early stages. He stated that it was always his intention to race in a forward position either outside the leader or with a trail behind the leaders, however after beginning reasonably well, he was unable to cross runners to his inside and as a result he eased to took a trailing position. The explanation was noted.
