S. Comments:Stewards questioned apprentice Fancourt regarding her riding of the gelding in today's event, which was not the horse's established racing pattern. She indicated that her instructions were to ride the gelding in a negative fashion in the early stages and attempt to have it settle back in the field, however her mount raced keenly and she allowed it to improve to the lead. She added that she attempted to restrain her mount however the horse continued to race keenly and she was satisfied that the gelding was travelling well in front. Stewards noted the explanation.
