S. Comments:Leaving the 500m had to be checked after being brushed by TORBAY and then shifted in making contact with the running rail and as a result lost significant ground. At a subsequent inquiry stewards found that HORA SEXTA shifted in marginally making slight contact with TORBAY, which in turn shifted in and bumped UNION. After HORA SEXTA relieved the pressure TORBAY continued to lay in on top of UNION further crowding that runner. Stewards could not be satisfied that the actions of J. Byrne (HORA SEXTA) or C. Whiteley (TORBAY) were careless and as a result took no action.

without being pressured. App. Hearn added that it was not his intention to have the horse lead on that occasion as the mare's usual pattern of racing is to

settle in the second half of the field. He stated that the same instructions were issued today which from a wide alley he was able to comply with resulting in

the mare settling towards the rear of the field. Stewards noted the explanation.

S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

S. Comments:Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Tnr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.
