S. Comments:Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.

S. Comments:Trainer questioned regarding tactics, which were in contrast to horse's most recent start at Grafton. He stated that as the gelding had drawn wide, he had given specific instructions not to be caught wide on the track and to try and find cover. He added that he did not expect the horse to be racing at the rear of the field. Rider advised that from the barrier he restrained the gelding, however when caught extremely wide approaching the first turn he elected to ease it back to the rear. Their explanations were noted.

Shortly after straightening was obliged to ease and shift in around heels to continue to improve. Approaching the 200m was eased when disappointed for a run to the inside of Gelsomina and was unable to be fully tested from this point before again being steadied when disappointed for a run to the outside of that runner approaching the 100m. Failed to obtain clear running from this point and went to the finish line without being fully tested. Rider and trainer questioned regarding positioning during the early stages.

Lloyd stated he was not issued with any real instructions other than the horse began awkwardly at its previous start and raced back in the field. However after beginning well today and with no real speed in the early stages the horse travelled comfortably in the lead and he allowed his mount to hold that position without being pressured. Stable representative Miss M. Seymour confirmed that no specific instructions were given and stewards noted the explanation.	54 Jeff Lloyd	(2) 54 R61	\$16,000 \$3,200 \$6 \$6 In Running: /1/1

Apprentice Schmidt stated that with the addition of blinkers today on the horse, she was instructed to take up a forward position. She added that the gelding travelled strongly in the early stages and as a result she allowed it to stride forward and settle outside the leader.
