 S. Comments:Rider stated that after being slow to begin the horse quickly mustered speed, however then commenced to hang out until rounding the home turn and shifted wider on the track at that point. She added that it then started to let down nicely, however a short distance later commenced to compound and was very disappointing. She thought the horse may have got its tongue over the bit. Trainer Vetted and found to be exhibiting an abnormal respiratory noise. Results of an endoscopic examination to be produced prior to next start. Swabbed.
