S. Comments:Began awkwardly. Questioned re riding over final 100m and overall performance - rider stated intention to be handy but unable to muster necessary speed in early stages, forced to settle worse than midfield. Attempted to improve leaving 500 but failed to respond and proved dissapointing. Near 200m shifted in to obtain clear running but then had to steady from heels. Felt horse had then peaked on run so did not ride it out to end of race. Felt horse may have felt firm surface and might benefit with blinkers. Stewards advised rider he should ride his mounts to end of race.

Checked after passing the 200m when tightened for room to the inside of LIGHTNING DRIFT, which had been taken in slightly by TONGUE OF FIRE, which shifted in despite the efforts of its rider. Jockey Payne advised after being slow to begin she gave consideration to attempting to press forward between runners, however was concerned she would not be able to hold a position between runners and elected to shift across and obtain a trailing position. She added her mount was finishing the race off well psaid it finished off well after passing the 200m.

S. Comments: Questioned re tactics: rider stated after beginning only fairly intention was to take up a handy position with cover. Due to slow speed in early stages placed 3 wide and attempted to improve to lead. However runner forward of him improved and as such he again attempted to obtain handy position with cover. Again was unable to when another runner improved to his inside and was obliged to race 3 wide without cover throughout. Stewards advised that he should have persisted with his attempt to obtain the lead instead of remaining 3 wide, given the slow tempo in the early stages.
