S. Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

Jockey stated that straight after the jump he considered his options however, was aware of a number of runners to his inside all seemed intent on going forward and for this reason he made the decision to ride the horse where it was comfortable, which resulted in the colt settling further back in the race than was anticipated.
