S. Comments:Began awkwardly and lost ground. Inconvenienced when taken wider near the 1000m. Questioned re riding rounding home turn and early in straight - rider stated intention to follow runner forward of him to outside of field but his mount commenced to lay in upon straightening so elected to shift back to inside. Whilst laying in horse was improving into race so allowed it to continue to shift into the fence instead of straightening it to angle for a run which became available 3 horses off the fence. Explanation noted.

S. Comments:Slow to begin. Held up approaching and rounding home turn and near 400m had to be checked when disappointed for a run. Post race vet exam revealed laceration to hind leg consistent with being galloped on. When questioned as to performance rider stated that horse performs well when able to improve into the race from the 600m. Intereference suffered near 400 prevented it from doing this and was unable to quicken again following interference.

Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

S. Comments:Jockey M. Cahill reported that the horse travelled well until leaving the 600m when he became concerned that the filly would not finish the race off well and did not respond to his riding when placed under pressure leaving the 400m. He noted that the horse sweated up more than at its most recent start. Trainer M. Mair agreed with the comments of jockey Cahill and added that he would monitor the horse in the coming days. A post race veterinary examination revealed the filly had pulled up in a distressed state with a poor post-race recovery.

S. Comments:Rider explained that in the early stages he was caught extremely wide and therefore approaching the first turn he elected to restrain the colt to find a position closer to the rail. He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after the post the horse made an abnormal breathing noise. Trainer reported the horse was found to have slight bruising to its off front heel.

S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments:Inquiry app. A. Denby's riding over the final 600m, in particular not improving prior to the home turn when there opportunity to do so. App. Denby said she had specific instructions to improve to the inside of other runners and to keep the horse balanced around the tight track before pressuring it soon after straightening, which she did. Stewards advised apprentice Denby, bearing in mind the short straight at Kilcoy, that it would have been a better option to put her mount into the race earlier than she did on this occasion.

Raced greenly and leaving the 800m improved onto heels and hung out. The horse then continued to race greenly and hang out and was unable to be fully tested in the home straight, resulting in the rider being obliged to stop riding on a number of occasions.
