performance could be attributed to the horse having its first start this pre-	paration over 1400m,	on a rain-affected track,	and from the wide barrier he was
forced to settle at the rear of the field. He added that when asked for an	effort from the 600m	, his mount did not respo	ond to his riding. Trainer R.

S. Comments: A veterinary examination of the horse, which was kicked behind the barriers by the Clerk of the Course's horse, cleared the colt to start. Trainer D. Forster was questioned regarding the tactics adopted on the colt in leading in the event, which was in contrast to its normal racing pattern. Miss Forster stated that she had instructed jockey Cahill to ride the gelding positively to the first corner and then if possible to angle the colt off the fence. She added she did not expect the horse to be left in the lead and had hoped it would take up a handy/midfield position.

He said that at the horse's previous start from a good draw it gained a favourable position early, however was shuffled back in running to a rearward position before being shifted wider and finishing the race off nicely. He added prior to that the horse raced over a shorter distance and had previously shown disappointing performances on rain affected tracks. Mr Baldwin added with today's increase in distance and the horse dropping back in class the filly performed favourably as he expected.
