Trainer subsequently reported the horse was sore over the back, neck and wither and would receive chiropractic treatment in the coming days as it may have jarred up thereby contributing to the disappointing performance. Has since been treated, and will be given one more chance this prep.

Fradd stated that due to the early speed drawn inside him, he was forced to settle further back than he anticipated. He added that as a result the horse did not travel comfortably at any stage and, in his opinion, is better suited on bigger tracks. | | | |
