S. Comments:Inquiry re improved performance. Trainer R. Cameron said at the horse's first start this preparation he was pleased with its performance, but was held up over the final stages. He said in a quality race at its most recent start it performed satisfactorily, but weakened at the finish, and after this he elected to experiment with a tongue-tie, and was of the view that this may have been beneficial for the horse's finishing effort. Apprentice A. Denby was fined \$100 for using her whip more than 5 times prior to the 100m.

S. Comments:When questioned regarding the performance, jockey advised that after beginning from an outside barrier he had to pressure the horse to obtain its usual leading position and, in his opinion, the fast tempo of today's race, combined with the weight of 59 kilograms, resulted in the horse tiring over the final 200m. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:jockey D. Griffin indicated from the wide barrier he was obliged to position the gelding at the tail of the field and as the horse races over longer distances it was doing its best work over the concluding stages and would benefit from a step up in distance. He indicated he had been held up for clear running from the 600m to the 400m and after being afforded clear running laid in under pressure and was also inconvenienced near the 300m. Jockey Griffin added he again had some difficulty securing clear running until the final 100m when the horse finished the race off well.
