S. Comments: When questioned as to the performance, Jockey M McGuren stated that based on the filly's previous form he anticipated today's distance of 900m being too short. However, after beginning well the filly was able to obtain a position on the speed but was disappointing in its failure to finish the race off over the final 400m. Jockey McGuren was of the opinion that the filly would derive a fitness benefit from today's race. A post-race veterinary examination revealed the filly to have a slow recovery rate.

S. Comments: Inquiry into tactics and riding - rider stated previous start horse over raced outside leader and weakened badly. Addition of earmuffs hoped horse would be settle with cover behind leader. Therefore took hold early to obtain cover behind STRUCTURAL DAMAGE however, MR HENNESSY then crossed that runner resulting in her settling towards rear of small field. Attempted to improve to outside of STRUCTURAL DAMAGE rounding home turn but was held up when it shifted after which the horse finished off well. Rider told she erred in taking hold too early & should have used more vigour rounding home

S. Comments:Connections advised that from the wide barrier the horse would be ridden off the speed if possible. Raced 3 wide for the majority of the event. When questioned regarding the horse's poor performance, rider advised that the horse raced somewhat flat today, however was forced to race wide throughout the event. She added that in her opinion the horse may have come to the end of its preparation. Trainer reported that in light of the poor performance, the horse would be spelled immediately. Vetted, no significant findings.

S. Comments: Questioned re tactics - rider stated bearing in mind small field instructed to obtain handy position or in the event of a strong tempo, to settle further back in the field. Gelding appeared to slip on jumping away resulting in it losing ground at the start after which he conceded he should have placed the gelding under more pressure to obtain a position outside SAINT HUGO. Stewards agreed that rider had erred in lack of vigour in early stages but bearing in mind is relative inexperience as an apprentices did not believe his error was culpable under the rules. Grylls regarding her riding of the horse from the 1000m, at which point she had shifted wider on the track and improved around the field until assuming the position outside the lead passing the 700m. Stewards had concerns that this may have had a detrimental effect on the horse's overall performance. Miss Grylls explained that when the pace slackened at this point rather than fight GOTTA ZIP, which had commenced to overrace, she shifted wider and improved. She indicated that she had anticipated obtaining a position outside the lead more easily than she

S. Comments:Bumped near the 1500m. On returning to scale jockey N. Tomizawa advised that his mount at no stage handled the prevailing track conditions tonight and when asked to improve into the race from the 600m when ridden along with the whip the gelding failed to respond to his riding and for that reason he desisted from pressuring the horse over the concluding stages. A post-race veterinary examination revealed no abnormalities.

S. Comments:T. Harrison explained that the mare had a nice run in a handy position on the rail, had travelled well to the turn and on straightening she was confident that the horse would finish its race off. She said when afforded clear running at the top of the straight and placed under pressure, the mare did not quicken and gave ground. She added that she was of the opinion that as the mare has only ever raced on firm tracks, it may not have handled today's soft track conditions.
