He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Tnr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Vetted, no abnormalities.

S. Comments:When asked to comment on the horse's performance, R. Wiggins indicated that whilst the horse had difficulty securing clear running in the early stages of the home straight, it weakened over the concluding stages, which he felt could be attributed to the horse having its first start from a significant spell and would take improvement from the run. A post-race veterinary examination revealed no significant findings.

When questioned regarding the performance, Jockey J Taylor stated that despite suffering interference in the early stages the gelding travelled comfortably throughout and commenced to improve into the race as expected passing the 500m. However, the gelding peaked on its run leaving the 300m and in his opinion was disappointing. Jockey Taylor was of the opinion that the gelding may have come to the end of its preparation. Trainer confirmed gelding will be spelled.
