S. Comments:Fractious in the barriers, then began awkwardly, losing ground. A post-race veterinary examination revealed no significant findings. A Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.

S. Comments:Steadied from heels after passing the 600m. Apprentice T. Brooker reported that she had intended to position her mount closer to the lead, however the horse did not muster early speed and when the pace was only steady in the middle stages, this did not suit her mount, and given that it was carrying 58kg on a heavy track the horse was unable to sprint when asked for an effort. She indicated that the horse would appreciate a firmer racing surface.
