He indicated that from the wide alley he had been instructed to settle the horse at the tail of the field and did so, adding that the pace of the race caused his mount to be off the bit for the entire race. He was obliged to nigggle the horse throughout, and he was able to save ground when rounding the home turn by improving to the inside. He added that the horse found the line well under riding in the home straight.

He said that the instructions today were always to go forward, the same as those issued at the previous start.

When asked if he could have made an effort to improve into race from 600m intentions were to improve three wide however, it was inclined to lay in behind LA SCOPA. Added filly continued to do so in straight and only finished race off fairly. Added trainer advised it may be her intention to experiment with blinkers before next start. S. Comments:Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.
