S. Comments:Rider questioned re tactics - stated instructed to settle where comfortable. As a consequence after beginning well eased out of early speed. Leaving 900m obliged to ease again when placed in restricted room to inside of DANCING ON PARADE, resulting in racing a length further back than anticipated. Tempo then dropped resulting in racing strongly at heels of DANCING ON PARADE during middle stages before being left flatfooted when tempo increased leaving 500m. Noted finished races off fairly and may be better suited on firmer track over further distance.

S. Comments:When asked to comment, J. Byrne indicated that the horse raced on its wrong leg from the 800m until approaching the home turn. He indicated that he did not believe this had an overly detrimental effect on the horse's performance, which in his opinion was disappointing given that when asked for a response in the straight the horse weakened. A post-race veterinary examination revealed no significant findings.

S. Comments:When questioned, jockey R. Plumb stated he was advised by the trainer that the horse had a history of being fractious in the gates and his instructions were to position the horse where it felt comfortable in the early stages. He added that after being crossed shortly after the start the filly raced a little greenly back in the field however finished the race off reasonably well and, in his opinion, would benefit from today's experience and may be better suited over longer distances than that of today's event.
