S. Comments:Apprentice M. Murphy reported that his mount travelled strongly throughout when racing in the box seat. He added that when asked to improve into the race from the 400m the gelding failed to accelerate as he had expected and, in his opinion, was disappointing over the concluding stages. Trainer B. Currie expressed disappointment in the gelding's finishing performance today. He added that, in light of this performance, he will now review the horse's current preparation, and may consider sending it for a spell. A post-race veterinary examination revealed no apparent abnormalities.

Rider comment re performance - stated after beginning only fairly unable to obtain a forward position as intended and settled further back than anticipated. Added filly shown good early speed in recent trials and as a result was expecting to settle closer to the speed and when unable to do so this may have attributed to its performance. Further stated filly would be better suited once it steps up in distance.Vetted - no abnormalities.

S. Comments:Raced in restricted room shortly after the start when tightened for room between runners. Finished at the rear of the field. A post-race

veterinary examination revealed the gelding to be short-striding in the off foreleg. Trainer T. Gollan was advised that the horse will require a veterinary

clearance prior to racing again. Stewards intend to follow up with Mr Gollan in ensuing days regarding the horse's post-race recovery.
