Rider stated approaching home straight PUZZLING WONDER rolled out and he elected to come to inside of that gelding which didn't improve into race as expected and then elected to go back to the inside and was unable to obtain a clear run for majority of straight. Stewards noted explanation but advised may have been prudent to race behind SUPER SUAVE slightly longer to give possible options to both the inside and outside.

 S. Comments:When questioned regarding the horse's seemingly improved performance, trainer B. Witt stated that he had expected the gelding to perform well at its last start, however it had disappointed. He added that the gelding was subsequently found to have been suffering from a virus and as such was treated and freshened up. He further stated that BALIUS appreciated rain-affected tracks and he believed these factors may have contributed to today's improved performance.
