After passing the 900m commenced to over-race and had to be restrained from heels on a number of occasions. G. Colless explained at its last start it raced more forward from inside barrier whereas today from wide barrier unable to hold a more forward position and in his opinion with track favouring horses racing in a forward position ridden back today may have been detrimental to geldings chances. Williams in regards to the tactics in the early and middle stages and as to the reasons she left a three wide position with cover near the 800m to improve wider on the track. Ms Williams stated that after obtaining cover and being crossed by LILLIERO, her mount was inclined to race keenly and as a result she elected to shift wider on the track and improve forward. Stewards advised Ms. Williams that she had erred at this stage of race and should have made a greater effort to maintain her position with cover.			In Running: /11/7

S. Comments: Was ridden forward to assume the lead after being wide in the early stages. Jockey S. Cormack was asked to explain his tactics in leading today, which is in contrast to the horse's established racing pattern. He indicated that he had been instructed to ride in a midfield position, however when caught wide in the early stages it became apparent he would not be able to obtain a position closer to the fence midfield and therefore elected to allow the horse to stride forward to the lead passing the 900m.
