S. Comments: Shortly after start when being ridden forward to obtain a position closer to the rail the saddle shifted back noticeably causing the mare to attempt to buck and in doing so shifted in tightening runners to its inside and eventually made heavy contact with the running rail for a short distance and lost ground. From that point was unable to be fully tested for the remainder of the event. As Stewards were of the opinion that the mare had attempted to buck because of the saddle shifting back they took no further action.

because of the saddle stilling back they took no farther action.

S. Comments:Examined at the barriers and passed fit to race. Pulled hard, and raced wide in the early stages. When questioned, jockey B. Nothdurft stated that after pulling and being caught wide in the early stages he managed to obtain the lead as expected. However when placed under pressure in the straight the gelding disappointed and failed to respond to his riding. Trainer T. Gollan stated that WESTHAM has now had 2 hard runs within a short space of time, which may have contributed to the performance today, and as such he would now space out the gelding's future starts. S. Comments: After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.
