S. Comments:A post race veterinary examination of the mare, which was beaten 27.6L, revealed it to be suffering from a poor post race recovery. Trainer Mr B Robinson stated that in his opinion the mare failed to handle the soft track conditions of the event and felt whilst the mare was disappointing, the surface was the principal factor which contributed to its performance. Trainer Mr B Robinson stated that he would not look to place the mare on rain affected surfaces in the future.
