S. Comments:Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

S. Comments:Laid in under pressure in the straight. J. Byrne was guestioned regarding his riding of the filly in the early stages. He stated that, in consultation with Mr Conners, the trainer, he was instructed to settle off the lead in an attempt to run out a strong 1200m. He added that the filly was inclined to overrace, even with the tongue tie, and when he applied pressure approaching the home turn, failed to respond to his riding.
