He said his intention had been to ride in a forward position however tried to obtain cover but because of the way it began, he was reluctant to ride it forward as the horse can overrace. Jockey Fradd added that after being crossed with the slow tempo, he ended up racing further back in the field than anticipated.

Fradd stated that after being slow into stride and being severely checked, the gelding raced further back than he would have liked, and then approaching the home turn he had to alter course when in restricted room, which forced him to lose some momentum at that point of the race, however the gelding then finished the race off quite well over the concluding stages and in his opinion would be better suited in races longer than that of today
