S. Comments:Underwent a veterinary examination prior to the start of this event and was cleared to race. Slow to begin. When asked to comment on the performance, jockey J. Lloyd indicated as the horse was having its first start and had not shown early speed in its barrier trial, he was instructed to settle his mount where comfortable and after travelling well responded to his riding in the home straight and was doing its best work over the concluding stages. A post race veterinary examination revealed signs of lameness in the near foreleg. A veterinary clearance will be required prior to next race start.

As stewards were not able to ascertain whether or not such action cost his mount 5th placing, no action was taken.

S. Comments: Prior to correct weight being declared, App. Murphy wished to view start as he was of opinion that he did not have adequate hold of reins when start effected. On review confirmed DREAM SPEED was fractious for short time just before start effected, resulting in App. Murphy having to re-gather his reins, however, Stewards were satisfied that App. Murphy had sufficient control and adequate hold of reins when start effected. DREAM SPEED then began awkwardly, threw its head up and lost considerable ground. Stewards were of view it was afforded a fair start and correct weight
