Browne regarding his tactics from the 600m as this horse was held up from approaching the 500m until leaving the 200m. Jockey Browne explained that after passing the 600m he shifted off the fence and secured a position behind MAXWELL, which he believed was a chance in the event and which he felt would take him into the race in the home straight. Jockey Browne agreed that his mount was travelling quite well during this section of the event and indicated that near the 400m he had considered shifting back to the inside, however that position quickly closed shortly afterward			In Running: /7/5
