| S. Comments:Stewards questioned M. Hellyer regarding the tactics he adopted in the event as HIDDEN GOLD led, which is in contrast to its established racing pattern. He indicated that it had been his intention to settle midfield just behind the lead if possible, however after beginning well he elected to attempt to sit outside SOL WITNESS, however when that horse was steadied leaving the 1200m he elected to allow his mount to stride forward, as he had been advised that the horse can overrace, and he established the lead near the 1000m. Stewards noted the explanation. |                   |          |     |  |                          |
