S. Comments: Raced keenly in the early and middle stages. Had to be restrained to avoid heels leaving the 100m and shifted in. When asked to comment on the seemingly disappointing performance, rider S. Bogenhuber stated that she was able to obtain a leading position and that the horse travelled comfortably throughout. She added that when under pressure in the home straight the horse failed to respond to her riding and she felt that in her opinion the horse had come to the end of its preparation.

In Running: /1/1 S. Comments: Began awkwardly. When questioned regarding the factics adopted, in particular setting a quick tempo in the early and middle stages, trainer stated that the filly's best runs have been when it has been allowed to roll along in front and attempt to run the field off its feet. Mr Hansen added that the filly does not appreciate being overly restrained or racing around other horses and is much better suited by the tactics adopted today. Mr Hansen added the filly has never raced on a surface worse than good before and he is not convinced it appreciated the soft track conditions today.

She added that her mount was under pressure a considerable distance from home, which she attributed to the horse racing dour tonight. and advised trainer S. Iverson that the gelding may be better suited in races over further distance than tonight's event. Mr Iverson agreed with the statement by S. S. Comments:Inquiry re performance/riding out over the final 150m. Jockey Munce stated from the 200m it commenced to weaken, so he stopped pressuring his mount. He said over the final stages it made an abnormal respiratory noise. Stewards felt his actions had no material effect on the placings, however advised him that he would be expected in similar circumstances to ride his mounts out at least in a hands and heels fashion. Trainer indicated the mare was in an agitated state throughout the day, and indicated the horse would now be spelld. Vetted with no abnormalities reported.
