S. Comments:When questioned by Stewards regarding the mare's seemingly improved performance, Trainer B. Currie advised that the mare was not suited to the firm racing surfaces at its most recent starts at Dalby and Gatton. He went on to say that two starts ago at Toowoomba he was unable to offer an explanation for the mare's seemingly disappointing performance. He also advised that, in his opinion, today's racing surface, combined with racing at a track where the mare has an exceptional record, were the major contributing factors to the horse's improved performance. Stewards noted the explanation.

S. Comments:Passing 500m steadied away from the heels of CALISTO, which was taken out slightly by BROWN BROWN. Rider questioned re tactics - indicated instructions were to go forward if possible and obtain cover just off the speed. Added after travelling a short distance caught three wide and unable to obtain cover therefore elected to restrain after passing 1100m towards rear of the field and in doing so fully commenced to overrace and got its head up on a number of occasions for a short distance.
