He indicated it appreciated the step up in distance to 1600m of today's event, and at the horse's most recent start had been forced to race wide and had hung out after the 600m when improving into the event. He indicated that for this reason he had engaged a left-handed whip rider and was of the view that this had a beneficial effect on the performance.

S. Comments:On return to scale rider M. McGillivray reported that the gelding failed to sprint in the home straight as he had anticipated, which he attributed to the horse being not entirely comfortable on the racing surface. Rider questioned regarding riding rounding the home turn as to why, when there appeared to be an opportunity for him to improve to the inside of MR PEPPERS, he directed his mount to the outside of that runner to improve into the race in the home straight. Stewards noted explanation.
