S. Comments:Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.

S. Comments:Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weakened today, it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell.

She added that her mount was under pressure a considerable distance from home, which she attributed to the horse racing dour tonight, and advised trainer S. Iverson that the gelding may be better suited in races over further distance than tonight's event. Mr Iverson agreed with the statement by S. Bogenhuber and advised it was now his intention to step the horse up in distance for its next start if possible.
