S. Comments: Slow to begin. Raced 3 wide without cover throughout. Que	estioned re tactics - ric	der stated gelding usually	settles in forward position

being slow to begin allowed gelding to stride forward in the back straight in an attempt to settle outside the leader. Was then unable to cross forward of another runner near 900m to obatin that position outside of leader and was oblidged to race 3 wide without cover for the remainer. Rider conceded in hindsight that after being sloe to begin she should have obtianed cover at the rear of the field before improving into the race from the 800m

S. Comments: Questioned re: dissapointing performance - App specifically instructed not to restrain gelding in early stages. When placed outside leader in early stages the gelding commenced to race strongly so he allowed it to improve forward to the lead. Felt that work mare did in early stages along with heavy conditions had a detrimental effect on its performance. Trainer was of the view the gelding failed to handle the track conditions but undertook to report any abnormalities should they come to light in the days subsequent to the race. Post race vet exam revealed slow recovery rate.

S. Comments: When questioned regarding he riding tactics adopted in the early stages on the gelding, rider R. Wiggins explained that after beginning well he elected to ride forward from the wide barrier in an attempt to gain a handy position with cover. However after passing the 1100m, the gelding commenced to overrace and despite his efforts he was unable to get the gelding to settle and as a result raced outside the leader, CHARGE ACCOUNT. Stewards accepted the explanation of R. Wiggins.
