He said instructions were to ride forward, however despite the gelding beginning awkwardly and making heavy contact with horses to its outside, he attempted to ride forward, however was unable to muster sufficient speed and after travelling a short distance shifted closer to the fence near the rear of the field. He said when approaching the home turn the gelding overraced and he was obliged to steady from heels near the 600m and again near the 500m. He said the gelding obtained clear running in the straight and finished the race off well.

mount again raced greenly with its head in the air, showing a reluctance to race between horses. concerned the mare was forced to race further back than anticipated at its previous start and as such elected to ride the mare out of the barriers in an effort to obtain a midfield position however, when caught wide in the early stages was obliged to allow the mare to stride forward to obtain a handy position. Jockey expressed his disappointment in the mare's performance today and was of the opinion it may have jarred up on today's surface

Allen stated his intention was to obtain a position just off the speed. Jockey Allen added that after beginning only fairly he allowed SAVVY GIRL to cross forward of him so as to obtain his intended position. However, near the 1500m had to steady the mare when tightened for room by another runner, which resulted in him settling further back than anticipated. Stewards noted his explanation.
