Apprentice Johnson stated that REGULAR had shown a tendency to overrace when ridden with cover. As a result, when the tempo of the race slowed she elected to allow her mount to come out and travel three wide from that point onwards. Trainer B. S. Comments:Slow to begin. Rider advised that after being slow to begin she rode vigorously in the early stages and the gelding was reluctant to improve to the outside of another runner when passing the 800m. She further added that when asked to improve rounding the home turn outside of Totally Sure, her mount again raced greenly with its head in the air, showing a reluctance to race between horses. She indicated that when afforded clear running in the home straight, the gelding found the line well and was of the view that a step up in distance to 1200m would be beneficial for the gelding.
