S. Comments:Rider D. Griffin reported that the horse tired over the concluding stages, which may have been as a result of it getting its tongue over the bit.

Stewards ordered that a veterinary examination be conducted on the colt, however this was unable to be carried out as the horse had left the course.

Trainer J. McLachlan was reminded of his obligations to ensure that his runners remain on course for the prescribed period following an event. Mr McLachlan indicated that he may experiment with the addition of a tongue tie to the horse's gear at its next start.

Orman indicated he had been instructed to attempt to take up a trailing position behind the leaders, however from the wide alley and the horse having its first start in blinkers, he unable to do so and was caught wide. He added that his mount raced greenly and despite this finished the race off well and was doing its best work over the concluding stages.

She said that when AUDREE improved to her outside she was content to let that horse cross her, which would have afforded her cover. She said when she elected to do this she then became aware that SKYLAR'S STAR, which was racing 3 wide, improved forward, and having elected to allow AUDREE to cross, she was then placed further back than she wished when AUDREE allowed SKYLAR'S STAR to cross to the lead.
