stages after slow to begin. Ovverraced between 1500 m and 1100 m . Failed to travel comfortably in middle stages. Commenced to improve into race rounding home turn but peaked on run over concluding stages. Trainer expected gelding to settle in forward position as does not appreciate racing towards rear of field. Failed to handle 59 kg impost and raced on an inferior section of the track over final 600 m . Post race vet did not reveal any abnormalities.
