S. Comments:When asked to explain the horse's performance, rider J. Lloyd stated that the gelding had a tendency to hang out throughout the race and never travelled comfortably at any stage and when placed under pressure in the home straight failed to run on and in his view was very disappointing. A post-race veterinary examination revealed mild lameness in the off foreleg, and a swab sample was taken. Trainer M. Dunn reported that the horse would now be sent for a spell. Mr Dunn was advised that he must produce a veterinary clearance for the gelding prior to its next start.

S. Comments:Questioned re tactics - rider stated intention was to find cover however after beginning well the horse mustered speed quickly and found itself in the lead. As no other runner applied pressure he was content to remain in the lead. Trainer confirmed instructions and noted at last start horse at begun awkwardly from wide barrier and was forced to race at back of field, as such was not totally disappointed in that performance. Thought horse appreciated freshen up between last 2 starts. Explanation noted.
