Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments: Stewards afforded S. Galloway the opportunity to comment on the horse's performance. He stated that the gelding travelled well and at a point near the 600m he allowed the gelding to stride forward to improve its position, however from the 400m, when placed under pressure, proved disappointing. He added that in his opinion the gelding may not have appreciated today's firm surface under the heavy impost of 59 1/2. A post-race veterinary examination

S. Comments: Slow to begin. When questioned regarding the disappointing performance, trainer M. Kropp advised that the mare, which was having its first race start since September, had been working well in the lead up to today's event and he was anticipating a forward showing. He added, however, that the mare did not begin well and had to work hard in the early stages to obtain a forward position, which he felt contributed to FILLE ARDENTE not finishing off the race as strongly as anticipated.

S. Comments:Stewards interviewed apprentice M. Murphy regarding his riding of the horse from the 700m. After taking evidence from apprentice Murphy, stewards advised him that, in their opinion, he had erred in failing to shift out around the heels of KENTAUR after passing the 700m, which would have afforded him clear running and as a result of his failure to shift wider, FOREST WAY was held up for clear running from the 600m until approaching the 250m. Stewards took into account his status as an apprentice and took no further action.

Added after beginning on terms with runners drawn inside was reluctant to press forward as concerned would be forced to race outside leader without cover and elected to restrain to shift in and improve inside ESKIMO KING, which would result in settling in position one out and one back. When attempting to restrain it commenced to overrace proving difficult to restrain allowing ESKIMO KING to shift in obtaining his intended position, as consequence forced to settle further back than anticipated.
