Rounding home turn was awkwardly placed at heels of another runner and had to steady. Afterwhich failed to respond to riding and weakend noticeably in run to the line. Post race vet failed to reveal any abnormalities. Cast hind plate in running. Trainer unable to explain performance but undertook to report back should anything come to light following the race.

S. Comments:Questioned re tactics. Rider stated that she was instructed to position horse at rear of field and added that due to fast tempo in early stages she settled 2 lengths of the second last horse. However, when asked to improve passing the 600m the horse travelled strongly and finished off the race well. Stewards advised App that she should have made greater use of the horse in the early stages to maintain a position inside of IT'S ON THE POCKET in the early stages.
