S. Comments:Tightened for room shortly after the start. Stewards questioned apprentice H. English in relation to the horse's performance. Apprentice English advised that after beginning reasonably, the horse failed to muster the necessary speed to obtain a forward position, which she attributed to the horse racing greenly. She added that whilst on face value the run may have appeared disappointing, she felt the horse's work over the concluding stages of the event would suggest it would be better suited in races over a further distance than tonight's event. Stewards noted the explanation.

 S. Comments:Began awkwardly attempted to buck shortly after start. Rider questioned re performance - stated that despite attempting to buck in early stages filly travelled well during middle stages. Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

Rolls indicated that he anticipated being back in the field, however on a number of occasions in the middle stages when attempting to improve to the inside of another runner, the horse was reluctant to do so. He added that he was obliged to pressure the horse from the 600m and the horse was again reluctant to improve into a tight run in the home straight. He felt that a step up in distance to 1400m would allow the horse to travel comfortably in a more prominent position.

 S. Comments:Steadied to avoid heels near the 800m. Momentarily steadied approaching the home turn. When questioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed. Vetted, no abnormalities.
