S. Comments:Slow to begin. Questioned re tactics after improving around field leaving 1300m - rounding turn near 1400m SIR ROTHEWAY did not appear to be travelling well so elected to shift wider to improve position. Intention was to then shift back in to obtain trailing position behind MR MALU down back straight however, SIR EARLSTOUN improved to his inside which left him 3 wide near 900m. So allowed mare to stride forward to settle outside MR MALU near 700m. Stewards advised erred in failing to obtain position behind SIR EARLSTOUN after improving around SIR ROTHEWAY.

S. Comments:Connections advised that as the horse has not been finishing its races off well when ridden forward, from the wide barrier today it will be the intention to have the horse ridden back in the field. The horse was ridden accordingly. M. Cahill indicated that after travelling well in the early and middle stages the horse failed to respond to his riding from the 500m and proved very disappointing. Trainer M. Leitch indicated that she would now discuss with the owners the horse's immediate racing future.

Comments: when questioned regarding factics adopted, jockey k. Fradu stated that as the mare was having its first start after a short break the
instructions were to obtain a position with cover. He added that after complying with these instructions the mare finished the race off strongly and also stated
that as the mare steps up in distance, he would expect it to be settling in a position closer to the lead.

S. Comments:Trainer D. Vandyke was questioned regarding the horse's improved performance as compared with its 5th at Ipswich on 7 April. He stated that at Ipswich the instructions were to ride forward, however the mare was unable to hold that position and got back to near the tail of the field and was forced wider on the home turn. He said today the mare was allowed to hold a position behind runners and was able to sprint when placed under pressure.
