S. Comments:Rider questioned re performance - stated intentions were to obtain lead if possible however, once runners to outside crossed him he was content to settle just off the speed behind the leaders. Added filly under pressure from 600m and then commenced to weaken upon entering home straight and for this reason he did not overly pressure his mount. Further added in his opinion the filly was most disappointing. Vetted - no abnormalities.

Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.

When questioned regarding the performance, Jockey J Taylor stated that despite suffering interference in the early stages the gelding travelled comfortably throughout and commenced to improve into the race as expected passing the 500m. However, the gelding peaked on its run leaving the 300m and in his opinion was disappointing. Jockey Taylor was of the opinion that the gelding may have come to the end of its preparation.
