Comments:When questioned as to the tactics adopted when electing to press forward of BARAMBAH BELLE and lead instead of remaining in a position outside of BARAMBAH BELLE, Jockey C Dell stated that the gelding had previously suffered from respiratory issues and as a consequence did not perform well when being restrained and for this reason he allowed it to stride forward to the lead. His explanation was noted. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

Lloyd reported that after receiving a bump rounding the home from another runner the horse became awkward in its action and weakened in the home straight. A post race veterinary examination failed to reveal any significant abnormalities.				
Trainer B. Herne indicated he would have the horse trotted up and assessed by his own veterinary surgeon in the coming days and would advise stewards of the outcome.

He indicated that the horse always appreciates a heavy track and performs best on rain affected conditions, with its only other 2 wins being on heavy tracks. He added the removal of the butterfly bit for today was also, in his opinion, appreciated by the gelding, and indicated with the significant step back in class from its most recent start he had expected a forward showing.
